

Call for applications

Master Scholarships

IDEX Université Grenoble Alpes

Presentation of the call:

The « Initiative d'excellence » (IDEX in short) Université Grenoble Alpes is welcoming applications for the Master Scholarship program. Applications to this program are open to foreign students (i.e. students currently enrolled in a University outside France) who apply to one of the Masters offered by the following higher education and research institutions: Ecole Nationale Supérieure d'Architecture de Grenoble (ENSAG), Grenoble INP, Sciences Po Grenoble, Université Grenoble Alpes (UGA).

Applicants can either apply to the first year of a Master (and thus are eligible for one or two years of funding) or for the second year of a Master (and thus are eligible for one year of funding). The amount of the scholarship is 8000 euros per academic year. If one of the two semesters of a given year is dedicated to a funded internship, the amount of the scholarship for that year is reduced to 5000 euros.

The selection of the candidates will mainly take into account their academic record and their material situation.

Applications for the Master Scholarship must be submitted online through the following platform: <http://projects-call.univ-grenoble-alpes.fr>.

In parallel to the Scholarship application, candidates must apply to one of the Masters offered by the above-mentioned higher education and research institutions. The list of eligible Masters is provided on the submission platform: <http://projects-call.univ-grenoble-alpes.fr>. The results for the Master Scholarships will be sent shortly after the admission results for the Master to which the student applies.

List of documents to provide:

- Curriculum Vitae
- Official list of courses and grades of the last two academic years
- Letter of motivation

Calendar:

- Call for applications: February 7th, 2017
- Submission deadline: same as the Master application deadline.
- Notification of the results: shortly after the Master application results.

Note: Applications can be made in French or in English.
